## IBM Cloud Profile:

The screenshot shows the IBM Cloud User Profile page in a web browser. The browser's address bar displays 'cloud.ibm.com/user'. The page has a dark theme. On the left, a sidebar contains the 'Profile' link, which is highlighted, along with 'Active sessions', 'Login settings', and 'Notification preferences'. The main content area is titled 'Profile' and features a 'Contact information' section with an 'Edit' link. This section includes a circular placeholder for a profile picture with an 'Upload a photo' button. To the right of the placeholder, the following details are listed: 'User ID' (periyardhasan2002@gmail.com), 'Password' (masked with asterisks), 'Email' (periyardhasan2002@gmail.com), and 'Role' (with a prompt to click 'Edit' to enter the role). Below this, the 'Name' is listed as 'PeriyarDhasan D' and the 'Industry' is also followed by a prompt to click 'Edit' to enter the industry. The bottom of the image shows the Windows taskbar with the search bar, several application icons, and system status information including 30°C, 'Partly sunny', and the date '15-11-2022'.
